- e. The ball will be declared dead at the point at which the receiving team has gained control of the ball.
- f. If the receiving back muffs the ball forward or the receiving team blocks the punt forward, the ball is declared dead at the point where it was first touched.

Section B: Teams must be ready to commence the game within 10 minutes of the scheduled starting time.
PENALTY: Forfeiture of the game, with a 6-0 score in favor of the opponent.

Section C: The League or game officials reserve the right to suspend, postpone, or cancel games due to weather, darkness, or other conditions necessary for the safety of the players, coaches and spectators.

1. Games suspended for weather, darkness, or other will be considered a draw or tie if less than half of the game has been played. If half or greater than half of the game has been played, then the game will be considered complete. In most cases, the League will strive to play the game to half time, to be considered complete.
2. If a suspended game has been considered a draw or tie, and the outcome of this game affects the playoff team selection, then the League will apply Article III: Tie Breaker rules.

Section D: **Mercy Rule** - 25 point spread

1. For 5th, 6th, 7th, and 8th grades, once a team is down by 25 points, the losing team will start **ALL** their offensive possessions at the mid-field point (40yd line for 5th and 6th grade, 50yd line for 7th and 8th grade).
2. The winning team will start **ALL** their offensive possessions on their own 20yd line (ALL GRADES).
3. For 7th and 8th grades, neither team will accept kick-offs and both teams will start their offensive possession on the appropriate yard line (50yd line for the losing team and 20yd line for the winning team).
4. Normal play will resume when point spread is 25 points or less.

Section E: Traveling teams will be considered guests for the coin toss. For Pocatello games between two Pocatello teams, the team that supplies the chain crew will be considered the home team.

Article II: FIELD RULES

Section A: Parents, spectators, players, and coaches must maintain Good Sportsmanship attitudes. No yelling or derogatory remarks will be tolerated. The League or official/referee(s) reserves the right to remove any parent, spectator, player, or coach from the field. Parents and spectators must also stay outside the designated coaches box area on the fields.

Section B: Coaches need to maintain good conduct of themselves, players, assistant coaches, and spectators during the game.

Section C: Coaches or person(s) on behalf of a coach, may observe, take written notes, or videotape the playing of opposing teams only at League scheduled games so long as observations or videotaping does not interfere with the playing of the game.

Section D: Coaches and players will be responsible for the cleanup of the field after their game.

Section E: Only players and coaches are allowed in the designated coaches' box area on the playing field.

Section F: Ladders will not be allowed on or around the playing fields.

Section G: Fixed signs/banners need to be placed a minimum safe distance of 10 to 12 feet from all sidelines.

Section H: No alcoholic beverages or intoxicated behavior will be tolerated at any SIYFL activities, including practices.

Section I: Except for emergency vehicles, and SIYFL vehicles, NO vehicles shall be driven or parked in the close proximity of the playing fields.

Article III: TIE BREAKER

Section A: Tie games will be decided by National Federation of State High School Association's 10-Yard Line Overtime Procedure.

Section B: Division Ties will be decided in the following manner:

1. Division record.

2. Head-to-Head winner.
 - a. Head-to-Head to determine playoff seedings. When determining playoff seedings, if four teams have the same division record, then head-to-head to amongst the four teams will be applied.
 - b. If the four teams have the same head-to-head records amongst the four teams, then a random draw of names from a hat will determine the playoff seeding.
3. National Federation of State High School Association's 10-Yard Line Overtime Procedure (Kansas City Overtime).

Note 1: If possible, 10-Yard Line Overtime games will be played prior to the last game of the regular season.

Note 2: If the majority of teams (2 out of 3 or 3 out of 4) agree to a random draw of names from a hat, then the League will make the draw, rather than play the Kansas City Overtime for seeding purposes only.

Article IV: GAME SCHEDULES

Section A: The League will separate the teams into two divisions, depending on the number of teams in that grade. The League will determine the format of play whether it will be A / B Divisions or an All Play format.

Section B: The teams may be divided into A and B divisions, if possible, based on the prior year standings:

1. Transfer the #1 Playoff Seeded or Champion (1st place) B prior year team to the A Division, and,
2. Transfer the lowest ranking team in the prior year A Division to the B Division,
 - a. head-to-head will break any ties.
3. Possible transfer of #2 Playoff Seeded or 2nd place B prior year team to the A Division, depending on strength of team, and/or,
 - a. Possible transfer of next lowest ranking team in the prior year A Division to the B Division, depending on total number of teams and strength of team.
 - b. Transfer of any teams to the A or B Divisions, will be evaluated by the Board to determine the fairest play for teams. Transfers will be evaluated on a case-by-case basis.

Section C: The teams may be divided into two divisions with the All Play format, based on the prior standings:

1. The top two teams from the A and B divisions, if necessary, will be separated in the two divisions.
2. The balance of the teams will be separated based on strength of teams.
3. The League will strive to balance the divisions based on the regular season wins/losses of all the teams from the prior year.

Section D: For 6th grade, the teams will be divided into two divisions, if possible, based on the prior year 5th grade:

1. Divisions will be based on, but not limited to:
 - a. Size of area/community, number of new players, Expansion teams, Combo Teams (5th/6th), strength of area, and overall record of team from 5th grade.
 - b. The divisions will either be created on the A / B Division or All Play formats.

Section E: For 5th grade, the teams will be divided into two divisions, if possible, based on overall coaching experience of the coaches and estimated strength of area. The League will strive to balance the divisions.

Section F: The League will create a third division and determine the order of play, if needed.

Section G: The League will create one division, if deemed necessary, for any grade.

Article V: PLAYOFFS

Section A: For "All Play" divisions, the first place team in each division will play the second place team in the other respective division. The two winning teams will advance to the championship game while the losers will play in the consolation game.

Section B: For "A and B" divisions, the first place team in "A" division will play the fourth place team in the "A" division, while the second place team in the "A" division will play the third place team in the "A" division in the playoffs. The winners will advance to the championship game. This format of play will be done for both A and B divisions.

1. A and B divisions do not play each other in the playoffs.
2. No consolation games will be played with this format.
3. Teams that lose their playoff game will return their equipment immediately following their game.

Section C: If there is only one division, the first and fourth best record teams, and second and third best record teams will play. The winners will advance to the championship game, while the losers will play in the consolation game.

Section D: 5th grade teams will not play post-season games (i.e. playoffs, consolation, or championship games). The League endorses the National Standards for Youth Sports developed by the National Alliance of Youth Sports 2001.

Article VI: PLAYING TIME SUMMARY

Section A: Minimum Playing Time Rule for all players during regular season, playoff, consolation, and championship games.

1. 5th and 6th grade coaches are required to play each eligible player a minimum of ten (10) live plays per game during regular season games, including all playoff and championship games. A player must play six (6) live plays the first half, and four (4) live plays the second half prior to the 4-minute warning in the 4th quarter. A player must be inserted into the game on the first offensive/defensive possession in the 4th quarter if that player has not received his/her appropriate playing time. A player must be placed into the game in their natural playing position at the soonest available time. A "live play" is defined as a play from the line of scrimmage on offense or defense, **EXCLUDING PUNTS, PUNT RETURNS, FIELD GOALS, AND KICKING POINT-AFTER-TOUCHDOWN (PAT) ATTEMPTS.**
2. 7th grade coaches are required to play each eligible player a minimum of ten (10) live plays per game during regular season games, including all playoff and championship games. A player must play six (6) live plays the first half, and four (4) live plays the second half prior to the 4-minute warning in the 4th quarter. A player must be inserted into the game on the first offensive/defensive/special team possession in the 4th quarter if that player has not received his/her appropriate playing time. A player must be placed into the game in their natural playing position at the soonest available time. A "live play" is defined as a play from the line of scrimmage on offense or defense and special team play. Playing time on special teams for 7th grade (i.e. kick-offs, kick-off returns, punts, punt returns, PAT attempts, and field goals) will only be considered as five live plays per game, regardless of the number of times the special team was on the field.
3. 8th grade coaches are required to play each eligible player a minimum of ten (10) live plays per game during regular season games, including all playoff and championship games. A player must play six (6) live plays the first half, and four (4) live plays the second half prior to the 4-minute warning in the 4th quarter. A player must be inserted into the game on the first offensive/defensive/special team possession in the 4th quarter if that player has not received his/her appropriate playing time. A player must be placed into the game in their natural playing position at the soonest available time. A "live play" is defined as a play from the line of scrimmage on offense or defense and special team play. Playing time on special teams for 8th grade (i.e. kick-offs, kick-off returns, punts, punt returns, PAT attempts, and field goals) can be considered as ten live plays per game, regardless of the number of times the special team was on the field.
